

J. D. WILLIAMS, SR. BIBLE INSTITUTE

Our Mission

J. D. Williams, Sr. Bible Institute equips believers for faithful Christian service through Scripture-centered education grounded in the Apostolic faith. We prepare students to understand and teach the Word of God, grow in spiritual character, and serve the Church and their communities with humility and conviction.

Our Vision

We envision local churches strengthened by biblically grounded, spiritually mature servants who teach truth clearly, disciple others patiently, and lead with integrity. Through accessible online learning, we seek to extend opportunities for Apostolic education to believers wherever they are called to serve.

Rooted in the Word

Scripture is the foundation of our teaching and the measure by which doctrine and practice are examined. We encourage careful reading, responsible interpretation, and a growing understanding of the one God revealed in Jesus Christ (2 Timothy 3:16–17).

Formed for Apostolic life

The apostolic message calls people to respond to Jesus Christ in repentance, baptism in His name, and the gift of the Holy Ghost (Acts 2:36–39). We seek to cultivate prayer, holiness, integrity, fellowship, and love alongside sound theological understanding.

Equipped to serve others

The Church grows as its members are prepared for the work of ministry (Ephesians 4:11–16). The Institute supports students, teachers, and leaders as they develop knowledge and habits that strengthen congregations and help them share the gospel with clarity and compassion.

We teach faithfully so that others may serve faithfully.
